ANGEL KIDS

PRESCHOOL FOR EXCELLENCE

Admissions Open

2027–28

Playgroup · Nursery · LKG · UKG

A Caring Start.
A Confident Tomorrow.

Every little beginning is the start of something wonderful.

Montessori-inspired learning

At Angel Kids Preschool, we believe the early years are an important time for children to explore the world around them, discover their interests, and begin building the skills that support their learning and development.

Our aim is to make the preschool journey a meaningful experience for children and a reassuring one for parents.

WELCOME TO ANGEL KIDS

Where Little Beginnings Matter

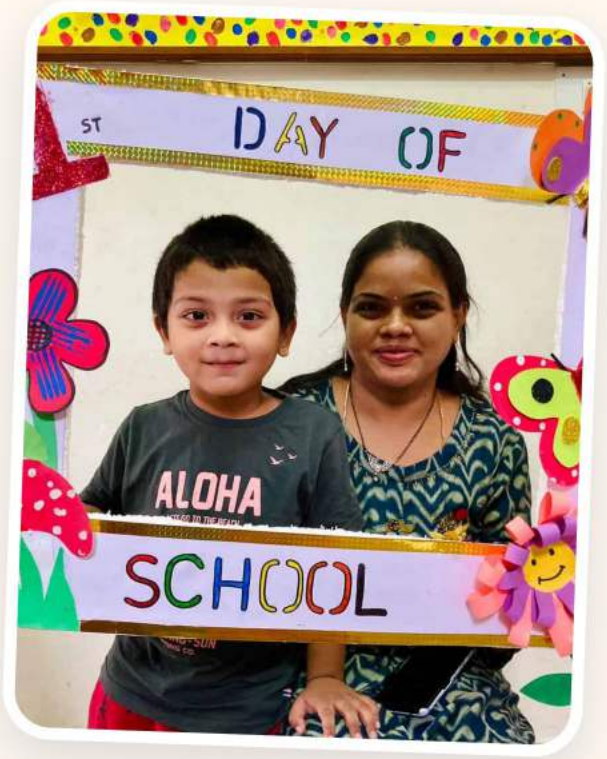

A child's first school is more than a place to learn.

It is a place to make new friends, discover new experiences, express curiosity, and gradually become comfortable in a world beyond home.

At Angel Kids Preschool, we understand that every child comes with their own personality, interests, and pace of learning.

We want parents to feel confident as they begin this important journey with their little ones.

Our focus is on creating opportunities for children to participate, explore, learn, and grow through their early school experiences.

First day at Angel Kids

Our founders

Our Promise

To make every preschool experience a meaningful opportunity for learning, discovery, and growth.

OUR LEARNING APPROACH

Little Minds. Big Discoveries.

Angel Kids Preschool follows a **Montessori-inspired curriculum** that encourages children to learn through exploration, participation, and meaningful experiences.

We believe children learn in many ways—by listening, observing, asking questions, creating, and interacting with the world around them. Our approach encourages children to discover, explore, and engage with their surroundings while building foundational skills.

Learning Through Activities

Opportunities to participate in age-appropriate activities that encourage exploration and learning.

Learning Through Creativity

Experiences that allow children to express their ideas through creative activities, art, and imagination.

Learning Through Interaction

Opportunities to communicate, participate, listen, and learn alongside teachers and classmates.

Learning Through Discovery

Experiences that encourage children to observe, explore, and become curious about their surroundings.

LEARNING THROUGH EXPERIENCES

Every Day Is an Opportunity to Discover

A new story.
A creative activity.
A little experiment.
A new friendship.

Every experience can become an opportunity for a child to learn something meaningful.

At Angel Kids, we want children to have opportunities to explore, participate, and enjoy their preschool journey.

Stories & Language

Experiences that encourage listening, communication, imagination, and expression.

Creative Activities

Opportunities for children to explore ideas through art, craft, and creativity.

Exploring the World

Age-appropriate experiences that encourage curiosity about nature and the surroundings.

Learning Together

Activities that help children practise participation, cooperation, and interaction.

GROWING WITH CARE

Every Child Has Their Own Pace

Some children are eager to explore from day one. Others need a little more time to feel comfortable.

Every child is different—and their preschool experience should recognise that.

At Angel Kids, we believe encouragement, care, and positive interactions are important parts of a child's early-learning journey.

A Caring Environment

A welcoming school experience where children can gradually become comfortable with their new surroundings.

Encouraging Participation

Opportunities for children to take part in activities, express themselves, and explore new experiences.

Building Confidence

Every small step—trying something new, joining an activity, or expressing an idea—is an opportunity to grow.

A Partnership With Parents

Parents are an important part of a child's early-learning journey. We welcome their questions and encourage open communication.

OUR PROGRAMMES

The Right Beginning for Every Little Learner

Angel Kids Preschool offers programmes designed for children at different stages of their early-learning journey.

Playgroup

2 years completed

A first step into the preschool experience, where children begin exploring a new environment and participating in age-appropriate activities.

Nursery

3 years completed

An opportunity for children to continue developing foundational skills through meaningful early-learning experiences.

LKG

4 years completed

A programme that builds on early-learning experiences and encourages further participation, exploration, and foundational learning.

UKG

5 years completed

A further stage in the preschool journey, helping children continue developing the foundational skills and experiences needed for their next educational stage.

SCHOOL TIMINGS

Monday to Friday · 9:00 AM – 12:30 PM

Please confirm the applicable school days and programme timings with the school.

A visit can help you understand

- The school's learning environment
- The Montessori-inspired learning approach
- The programmes available for your child
- The daily routine and timings
- The admission process and fee structure

A Note From Our Parents

4.9 ★★★★★ 218 Google reviews

"From the very first tour, we knew our child was in safe and loving hands. Since starting here, our child has blossomed socially and has come home excited to share new things."

Krishna K. · Parent

"We truly appreciate the Montessori approach along with the phonics learning program. We are happy to see our child becoming more confident in speaking and learning new things."

Shilpa G. · Parent

"The founders know every student and their parent by name. They go above and beyond for the welfare of every child."

Hansini R. · Parent
